

Land Use Assignment

Name: _____

/5 marks

1. Choose three locations in the city of Toronto you are familiar with. For example, your home, a place you go to every week, your school etc . . .

Location 1:

Location 2:

Location 3:

2. Find each location on the following map:

<http://www1.toronto.ca/wps/portal/contentonly?vgnextoid=905abe4436161410VgnVCM10000071d60f89RCRD&vgnextchannel=2a8a036318061410VgnVCM10000071d60f89RCRD>

3. Analyze the map for the closest examples of the following land uses to your chosen locations: Residential, Transportation, Institutional, Parks and Open Space, Industrial, Commercial. Use the zoom in feature.
 - o If you have forgotten what each land use is look at your notes from yesterday.

4. Go to google maps streetview: <https://www.google.ca/maps>
 - a. Find each of your locations on streetview.
 - b. Using streetview find a specific example for each land use:

- Residential
- Transportation
- Institutional
- Parks and Open Space
- Industrial
- Commercial

5. Record your findings.

- Example:
 - Location 1: My house 220 Richview Avenue.
 - Residential: 222 Richview Avenue - Detached home.
 - Transportation: Bus stop at corner of Bathurst and Eglinton.
 - Institutional: Forest Hill High School 10002 Eglinton Avenue
 - Open Space: Eglinton Park
 - Industrial: None in area
 - Commercial: The Eglinton Way
