

## Migration Web (and textbook?) Quest

/10 Marks

Using both the internet and your textbook answer the following questions in detailed notes. Please use full sentences and paragraphs for your answers. You will be submitting this to Turnitin at the end of the lesson.

- 1) What types of things would lead you to want to live in another country? Be specific.
- 2) Define a Push Factor and give 3 examples.
- 3) Define a Pull factor and give 3 examples.
- 4) What types of things (both personal and legal) could prevent someone from Migrating to another country?
- 5) How do you think changing countries would affect a person's culture?
- 6) Define the terms Melting Pot and Multiculturalism. Which of these two do you think applies to people immigrating to Canada? Why?
- 7) Read at least two articles on the Internet about Syrian Refugees arriving to Canada, look only on reputable websites such as The Toronto Star and CBC. After reading the articles, how do you feel about the governments pledge to bring in 25 thousand refugees by February? In your opinion, is this a good or bad idea?
